

# Public Speaking Workshop

## Amplify Your Message

Learn the basics of message construction and delivery at the Leadership Institute's Public Speaking Workshop taught by famed speech writer Dr. John Shosky.

You will learn effective public speaking techniques and will be coached through a speech sample while receiving personalized critiques.

You will learn how to:

- Deliver speeches professionally
- Overcome common fears about speaking in public
- Organize and prepare effective speeches
- Learn the importance of non-verbals
